

TESTIMONIALS

Client Testimonials

Some Examples of What our Clients are Saying:

"Neovera has played a critical role in multiple areas of IT for our firm - managed hosting, application development, network administration, and strategic planning. Their experience, flexibility, and work performance has been invaluable to us."

- VP IT (Profunds)

"Neovera's commitment to our business has exceeded every expectation. They have been running our 24x7 global Banking ASP operation for over 3 years and are vital to the stability of our systems. They come highly recommended."

- VP Financial Services (CGI-AMS)

"Neovera constantly exceeds our expectations. We have great confidence that our systems are secure, our performance is maximized and our data is safe. When we need to change, Neovera is right there with us, leading the way."

- IT Director (Luminent Capital)

"I don't know of any other good options for a small shop that wants the sort of full service you provide. You have done a great job!"

- IT Director (Full IT Outsourcing Customer)

"I have been impressed with the level of expertise of Neovera and the depth of service that they provided. They remained objective offering up free solutions that were available to our challenges and an honest assessment of where they might be able to help us and where other firms would be better suited for our needs. I would highly recommend them to anyone seeking assistance with improving their current technology infrastructure."

- COO (AG Bell)

"Neovera puts the *Value* in IT"

- CTO (Arden Asset)

About NEOVERA

Neovera is an IT professional services company providing strategic infrastructure consulting and outsourced managed hosting services.

We distinguish ourselves from other IT services firms by providing a combination of senior level application experts with world-class infrastructure engineers.

With Neovera our clients receive industry experts at a great value. This coupled with a high degree of personal attention, flexibility and smaller company commitment makes Neovera a unique alternative to traditional IT Services firms.

Neovera is headquartered in Reston Virginia. For more information on Neovera please see www.neovera.com.
